

Current Report ESPI No 4/2022

Date of Preparation: 2022-03-02

Short Name of Issuer: QUARTICON S.A.

Subject: Information on the new contracts

Contents:

Management Board of QuarticOn S.A. (Company, Issuer) informs that today, i.e. April 13, 2022, the Issuer extended for another 12 months the contract with Wittchen S.A. for CDXP services (Marketing Automation, AI personalized recommendation engine for e-commerce and SmartSearch) for Polish and foreign customer stores (14 subscriptions in total), about which the Company informed in the current report ESPI No. 5/2021. Moreover the Company extended the recommendation and SmartSearch services for the Apart company (four subscriptions) and acquired new subscriptions, including Martes Sport (4 subscriptions for 4 countries) and concluded contract with a Slovak company from the medical industry Medirex (the first significant sale of the CDXP system in this new sector), therefore the total value of the new signed contracts is EUR 127 thousand per year.

The conditions for the implementation of the above-mentioned contracts, including the possibility of withdrawing from them or breaching their terms, do not differ from the terms commonly used for this type of contract.

Conclusion of the above-mentioned contracts are the result of the development of the "direct" and partnership sales channel. The Management Board of the Company, assessing the current scale of business talks, expects an increase in the dynamics of acquiring new subscriptions in the coming months.

* subscription - monthly, recurring fee for the one service on a given store domain.
